Dear Pioneer Families,

I wanted to provide you with information about the events on Monday.

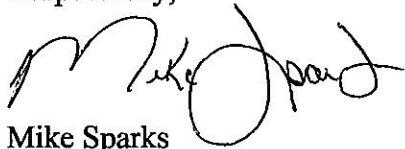

Around 2:00 p.m., the Grady County Sheriffs Department asked that we lockdown the school as a precautionary measure ,while they attempted to apprehend a suspect in the area. During the duration of the lockdown, Grady County Sheriffs Officers were posted in front of the school, students and staff were never in any danger. Officers remained in front of the school building until all students were safe with their families.

I want to finish this letter by thanking each family for your patience and allowing the school to do what was necessary to ensure the safety of the students. Thank you for understanding the locked doors, and allowing us to bring the students to you. I would also like to encourage each family to download the School Way app for free. This is an app that the school uses to send communications out to large audiences.

As always, please don't hesitate to call me here at the school should you have any questions.

(405) 224-2700

Respectfully,
